

Component

```
classDiagram
    class Component
    class InventoryComponent
    InventoryComponent --|> Component
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'InventoryComponent'. A blue arrow points vertically upwards from the top center of 'InventoryComponent' to the bottom center of a white box labeled 'Component' at the top. This indicates that 'InventoryComponent' inherits from 'Component'.

InventoryComponent
